

Tasks

1. Picture Slider

Need picture slider like this:

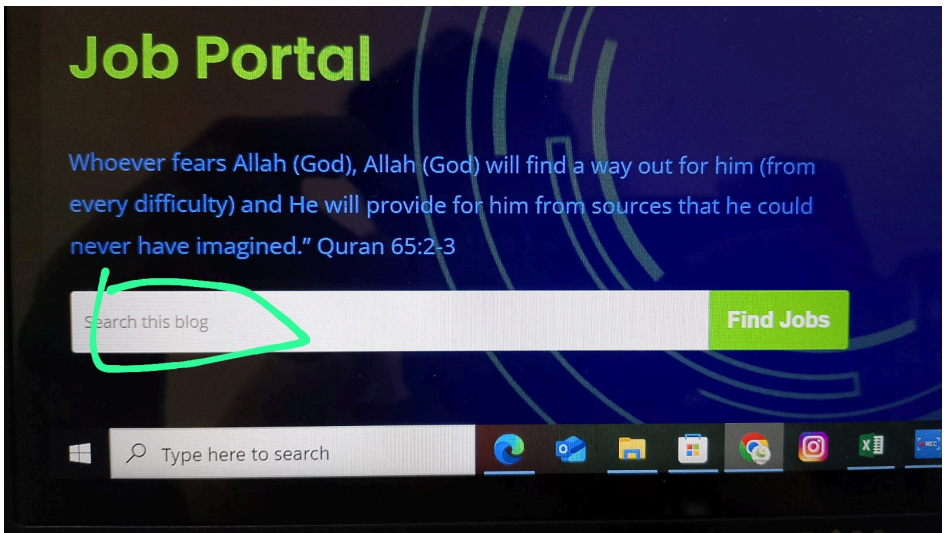

2. Hero Slider

Change slider to:

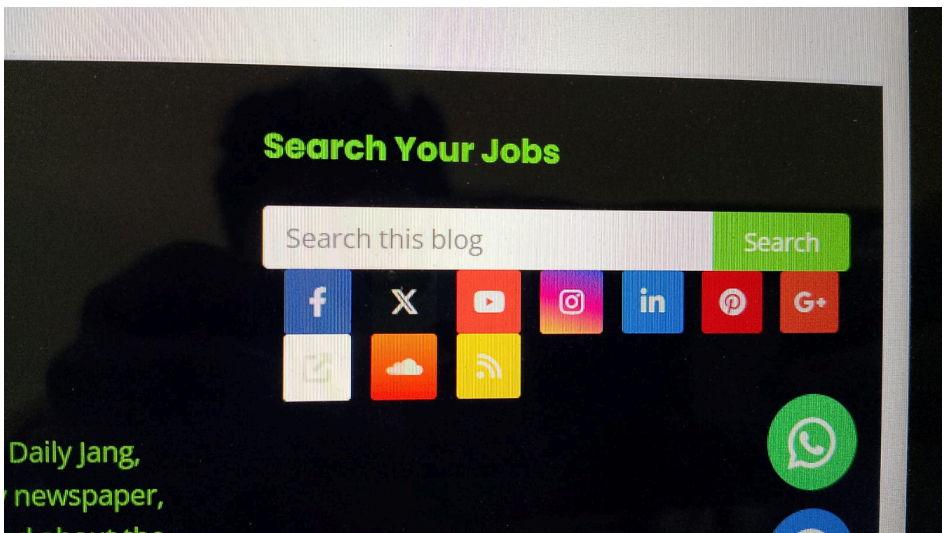

3. Find Best Blog

Change text to Find Best Opportunity

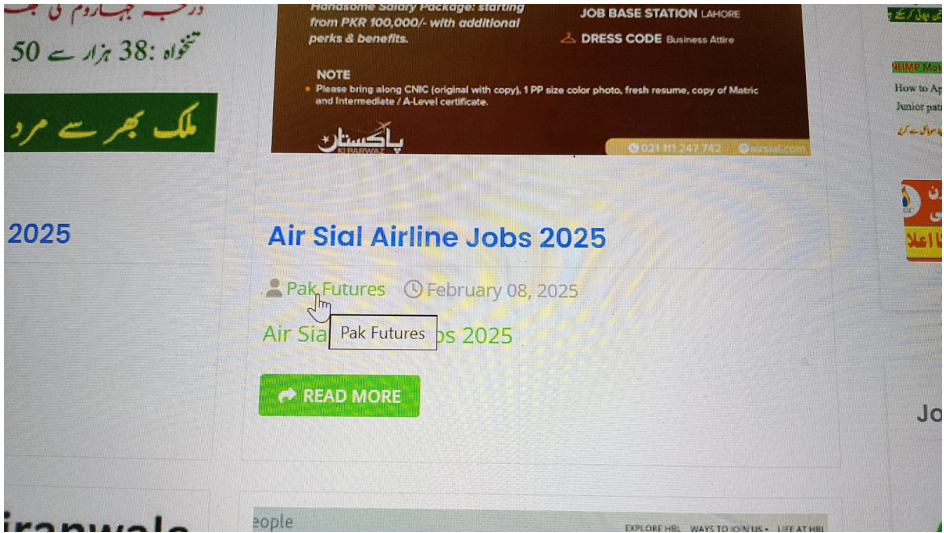

4. Social Media

Colourful background is not nice. Need to change to black and white:

5. User Link

Remove user profile link (icon and text both):

6. Post Contents

Checks if a section is missing in post:

- for example, if criteria is missing, it should either add or show warning.

Note:

This section is TBD (to-be-determined) yet.
